

## Who Are the Lions?

Lions are men and women volunteers who are serious about their commitment to humanitarian service and believe that by working together they will accomplish far more than would be possible as individuals. Lions dedicate part of their free time to help other people all over the world and try to make their own communities a better place to live.

### Windham Lions History

The Windham Lions Club was chartered on January 24<sup>th</sup>, 1970. The Windham Lions are part of the International Association of Lions Clubs, which is the world's largest service organization with over 1.3 million members in 45,000 clubs in 205 countries and geographic areas. Established in 1917 for eyesight conservation, Lions services have expanded to meet the challenges in our ever changing complex world.

Lions Club members give their time, skills and resources to raise funds for charitable giving both in their communities, nationally and internationally.

Lions plan and conduct a variety of community and humanitarian projects.

The slogan of Lionism is:

**Liberty, Intelligence**  
**Our Nations Safety**

The Lions motto is:

**“WE SERVE”**

## Membership

Our members are men and women of all ages from very diverse backgrounds. A common bond we all share is the desire to better our communities and provide people with benefits that are not otherwise available. Clubs meet twice a month and elect officers annually. The association is governed by an international board of directors, elected by Lions from around the world at the annual Lions International Convention. Through membership Lions not only help people in need, they also have the opportunity to develop personal friendships and gain valuable leadership skills.

If you are interested in obtaining more information about our club and becoming a member, we urge you to contact any of our members.
